STOMACH ULCER GONE SUFFERED 16 YEARS

Says his stomach is perfect now, and his weight has increased.

"I had ulcers of the stomach so bad that I was sent to the hospital. Treatment there finally got me on my feet, but in a few days I was down again. 'You said you wouldn't guarantee Milks Emulsion to be a bad case of ulcers of the stomach,' but I tried it anyway. If it does the work for others as it did for me, I ought not to be backward about any case of stomach ulcers. I have now taken twelve bottles and my stomach is in perfect condition. I feel better and weigh more than I have for 16 years, and I have had stomach trouble all of that time."—L. S. Walker, Greenleaf, Kan.

Thousands of people who have suffered agony from chronic stomach trouble in its worst forms, have been promptly relieved and soon restored to perfect health by Milks Emulsion. A trial will show, and a trial costs nothing. Milks Emulsion cleanses the stomach and bowels of all impurities, restoring healthy natural bowel action and doing away with all need of pills and physics. It corrects the digestive organs and improves the appetite. Thus it helps nature to build up the blood and tissue and to strengthen the throat, stomach and bowels. As a builder of flesh and strength, Milks Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in resisting and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

PROF. R. M. JOHNSON, A. E. F. HISTORIAN, DIES

CAMBRIDGE, Mass., Jan. 29.—Prof. Robert Matteson Johnson, who was the chief historian of the American Expeditionary Forces, died at his home here yesterday of an illness aggravated by two years' service in France. He was an authority on military affairs, and only recently completed a series of lectures before the general staff at Washington. Professor Johnson, who was fifty-two years of age, left the chair of

modern history at Harvard University to go overseas, and returned to his professorship a few months ago. He was born in France, educated in France, England, Germany and the United States, and was a member of the English bar. He was the author of several books dealing with the history of Rome, the Napoleonic wars, and the French revolution.

A Never Failing Way to Banish Ugly Hair

(Aids to Beauty)
No woman is immune to superfluous growth, and because these are likely to appear at any time, it is advisable to always have some depilatory powder handy to use when the occasion arises. A paste is made with some of the powder and water and spread upon the hairy surface; in about 2 minutes this is carefully moved and the skin washed. You will then find that your skin is entirely free from hair or fuzz. Be sure, however, to get real deLato.
